Re: Gold Fields Dishcharge Plan and Settlement Agreement

Dear John:

You will recall that pursuant to our agreement reached in September 1985 Gold Fields was required to submit to the citizen groups certain documents relating to reclamation activities, including a detailed plan for reclamation at closure. To date we have not received those documents.

We request that you comply immediately with the settlement agreement. If you should have any questions regarding this request, please contact me at my phone and address located in the upper right hand corner of this letterhead.

Sincerely,

Grove T. Burnett
