

Minutes for November 15, 2018

At Susan MacDonell's Home

Six present: Gail Buono, Susan, Walter and Isolde Wait, Leslie Hancock and Peter Smith

Gail announced a \$23 rebate from the bank.

Leslie announced nothing special re our Web and Facebook presence.

Walter went to the October 25 meeting for CO's and RO's. He found it poorly attended, with only nine representatives.

There was some discussion of the culvert on Bonanza Creek Road at the Gallina Creek crossing. There are in fact three pipes under the road, but they're blocked by debris and have been for more than a year. Peter Smith phoned the County about this in September but without result. A motion to draft a letter was proposed and seconded; Walter will do so.

Discussion of recruiting younger SMA members took place. The question was, how to do so: solicitation, approach businesses, invite specific people? No resolution arrived at.

The January meeting will again be at Susan's home.

Adjournment was moved and passed.
